EDUCATION

Saarland University, Germany October 2024 — Present
M.Sc. in Data Science and Artificial Intelligence GPA: 1.6/1.0

Eskisehir Technical University, Turkey September 2019 — June 2024
B.Sc. in Computer Engineering GPA: 3.80/4.00 (high honor degree)
Thesis: Semi-Supervised Classification of 2D Materials Using Self-Training Convolutional Neural Networks

Cracow University of Technology, Poland September 2021 — February 2022
B.Sc. in Electrical and Computer Engineering GPA: 3.74/4.00
Erasmus+ exchange program

EXPERIENCE

Max Planck Institute for Informatics February 2026 — Present
Research Assistant Saarbrücken, Germany
Working on mechanistic interpretability and sparse dictionary learning, with a focus on representation cleaning.
Advisors: Dr. Robin Hesse and Amin Parchami
Supervisor: Prof. Bernt Schiele

DFKI (German Research Center for Artificial Intelligence) April 2025 — December 2025
Research Assistant Saarbrücken, Germany
Applied ML and LLM-based methods to problems in clinical decision support, medical imaging, and energy price forecasting.

Bavest Technologies October 2024 — March 2025
Python Developer Frankfurt, Germany
Built and maintained financial data pipelines, expanded data coverage by 46%, and developed a dividend forecasting system.

AI in Healthcare Lab, Eskisehir Technical University September 2023 — July 2024
Undergraduate Research Assistant Eskişehir, Turkey
Worked on semi-supervised segmentation pipelines for lung disease datasets.
Advisor: Dr. Sema Candemir

Beko Corporate December 2022 — June 2024
Machine Learning Engineer Intern Istanbul, Turkey
Fine-tuned generative and text models for product and customer-service use cases.

Visea Innovative July 2023 — August 2023
Computer Vision Engineer Intern Eskişehir, Turkey
Built object tracking, image segmentation, and emotion classification models using modern computer vision architectures.

ACADEMIC SERVICE

High-Level Computer Vision at Saarland University, *Teaching Assistant* SS 2026
Statistical Natural Language Processing at Saarland University, *Teaching Assistant* SS 2026
AI in Healthcare at Eskisehir Technical University, *Teaching Assistant* SS 2023

LEADERSHIP & COMMUNITY

inzva, Turkey September 2023 — August 2025
Mentorship Program Lead

Data Science Club, Turkey September 2021 — June 2023
Mentor & Management Board Member
